

## Happy Holidays,

The Friends, thanks to you, have had a very good year making our wonderful library even better. A few of our accomplishments have been supporting the Summer Reading Programs (all ages), the Museum Passes, the children's annual gingerbread house construction, and the new 3-D Printer.

Even though it was frigid the Candlelight Stroll was a big success-thanks to everyone who made that possible!

We would like to remind you of the Bookworm Shop on the lower level just past the Children's Room that is filled with gently used books. The items are rotated regularly, so if you haven't visited recently you might want to stop by the next time you're in the library.

Thank you if you have already sent in your membership form. If you haven't, please consider a donation.

You are most welcome at the monthly meeting--please come and bring your ideas. The next meeting is Tuesday, January 15th, at 4pm.
