The Old Maps Of Belknap County New Hampshire In 1892

This collection of cadastral map reproductions is part of a nineteen book continuing series. These pages contain 35 old maps of Belknap County, New Hampshire in 1892, taken from the Town and City Atlas of the State of New Hampshire (D.H. Hurd & Co., Boston). Each map has been carefully retouched, when necessary, preserving the owners' names and the location of nearly every building in the County at that date.

If you wish to be on a waiting list for an unpublished New England atlas or wall map reprint, please let us know and we will inform you when it is published.
