

**Hello!**

Happy Valentine's Day!

We are calling for help in the Children's Room! Any assistance with shelving books or organizing the shelves would be lovely. Also, if you already volunteer but would like to learn something new, we need help with various projects including paperback covering. Check in with me, Katherine or Jill and we'll get you started.

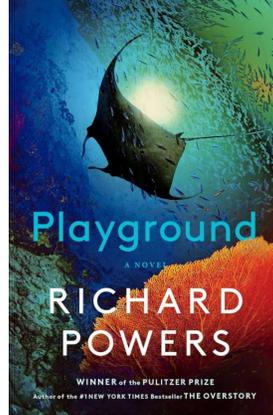

Nan Fay has been a volunteer for over ten years now!

As a volunteer and historian, she does it all from shelving to decorating. Nan loves the welcoming environment that the staff and patrons provide.

Nan loves to travel and has explored places all over the United States and Canada!

Know someone looking to volunteer? Send them our way! in the meantime, [check out our programs](#) for all ages!
