

Hello!

Have you signed up for our Summer Reading Program yet? There are a bunch of great prizes that you could win, including gift cards to the Wine'ing Butcher and Axe & Ale! Stop in to get started.

This month we interviewed Karel Mikulis, who has been volunteering here at the library for over six years!

Karel brought her kids to the library constantly when they were growing up and she credits their love of reading with those trips. She considers her volunteer work at the library her chance to pay it back.

As she likes to be busy, Karel not only volunteers at the library but also at the hospital and holds a part-time job at Hector's Fine Food & Spirits and is excited to be at the Gilford Beach this summer!

We are pretty excited to see you all in August for our annual Volunteer Lunch on August 5th, and invitations will be in the mail soon! Keep an eye out for them and in the meantime, check out some of our upcoming programs.
