

## **Hello!**

First of all, thank you so much to all of you volunteers who donated your time to the Old Home Day Book and Pie Sale! We truly couldn't have pulled off such a successful event without all of you.

September begins Library Card Sign Up Month! If you or anyone you know needs a library card or needs to renew your existing one, now is the time to stop in the library. When you sign up or renew your card, you will be entered to win a locally made prize. The library has also entered into a statewide contest to see which library can gain the most patrons, so tell everyone you know!

This month we interviewed Olivia Gunnell.

Olivia may have only started volunteering this year but she has been attending and participating in library events since she was a child. She thinks that Gilford Library is the best of all the libraries and is her favorite place to bring her kids all year long! Olivia believes that Gilford and especially the library is a kind and welcoming community, as well as a lot of fun.

Olivia is a Latter-Day Saint homeschooling mom of six children. Olivia has a degree in English and enjoys painting. She love books,

antiquing, and spends most of her days barefoot outside.

Be sure to check out all the [other events](#) we have going on this month!
