

Hello!

Did you know that over the month of August, we had 36 volunteers donate a total of 271 hours to the library? We made it through our busiest months due to your volunteerism! Your continued efforts help make our library a special place.

Coming up, we will need volunteers for our annual Spooky Storywalk on October 23 at 4pm! Sponsored by the Friends of the Library, this year's Spooky Storywalk will be across the street from the library at Sarah Peck Park. We need volunteers to hand out candy and read a page from a spooky book! Contact Jill at the library for more details.

Know someone looking to volunteer? Send them our way! In the meantime, [check out our programs.](#)
